Finders Are Keepers at **WORLEY'S**

- It takes some men 40 years to locate the right girl - - - while other men find her in the next seat at high school.
- It may take you seasons to discover that WORLEY's offer you the finest clothing service in Mt. Vernon, while other men are doing it this very week.
- One thing is sure - - - when you DO come here - - - you won't leave empty handed. We haven't had a single customer lately who looked and then gave us that same old lame excuse that he "was looking for a friend."
- Men are looking for values instead of bargains. They are after tailoring rather than talk—the style that a good rain won't budge, and fit that a tailor can't better. That's why they are finding Worley's in Mt. Vernon.
